Regulations Filed by the Multi-band OFDM) ET Docket No. 04-352
Alliance Special Interest Group)

ORDER GRANTING AN EXTENSION OF TIME TO FILE REPLY COMMENTS

Adopted: October 8, 2004

Released: October 12, 2004

By the Chief Engineer:

1. A Petition for Waiver in the above entitled proceeding was received by the Commission on August 26, 2004 and was placed on Public Notice on August 30, 2004. Comments in this proceeding were due on September 29, 2004, and reply comments were due on October 14, 2004.

2. On October 8, 2004, the Multi-band OFDM Alliance Special Interest Group (“MB-OFDM SIG”) requested a seven day extension of the reply comment period. MB-OFDM SIG states that an extension is necessary because of the lengthy and detailed technical analyses submitted in response to the petition.

3. The Commission does not routinely grant extensions of time in rule making proceedings. However, because of the complexity of the subject we believe that a short extension of the reply comment period will enable the concerned parties to fully analyze the information submitted in the comments. Accordingly, IT IS ORDERED, pursuant to the delegated authority contained in 47 C.F.R. §§ 0.31 and 0.241(a), that the time period for filing reply comments in the above captioned proceeding IS EXTENDED to October 21, 2004.
